

Griddles – Cast Iron

PSE400

The PSE400 griddle is built around a sturdy cast iron plate giving a solid cooking platform for cooking burgers sausages bacon fried eggs etc. The smooth cast plate gives direct heat transfer to your food making the cooking process quicker and healthier. The integral wall on sides and rear of the plate gives a secure area to cook and hold your food. The Incoloy heating elements are designed give even heat across the plate to there are no cold spots.

Features 1 heating zone; power on light; front drainage tray.
