The MAJESTIC L

The MAJESTIC is perfect for the busy cafe environment. Fitted with robust cast iron plates for perfectly even cooking the upper plate is self balanced and the pressure spring is fully adjustable so you can adapt the cooking to the food and to help prevent food being crushed by the weight of the top plate. The grill has robust armoured heating elements for perfect heat distribution and is great for cooking steaks hamburgers fish Panini's wraps etc.

Features independent controls for each side; 15 minute timer; 300'C thermostat; power on light.
